## **INTRODUCTION:**

### **1.1 Audience**

#### **➤ Structural Set up of Ministry of Housing and Urban Poverty**

##### **Alleviation :**

The Ministry of Housing and Urban Poverty Alleviation is the apex authority of Government of India at the national level to formulate policies, sponsor and support programme, coordinate the activities of various Central Ministries, State Governments and other nodal authorities and monitor the programmes concerning all the issues of urban employment, poverty and housing in the country.

The Ministry was constituted on 13th May, 1952 when it was known as the Ministry of Works, Housing & Supply. Subsequently it was renamed as Ministry of Works & Housing when a separate Ministry of Supplies came up. The name of the Ministry was changed to Ministry of Urban Development in September, 1985 in recognition of the importance of urban issues. With the creation of a separate Department of Urban Employment & Poverty Alleviation on 8th March, 1995, the Ministry came to be known as the Ministry of Urban Affairs & Employment. The Ministry had two Departments: Department of Urban Development & Department of Urban Employment & Poverty Alleviation. The two Departments were again merged on 9th April, 1999 and in consequence thereto, the name has also been restored to "The Ministry of Urban Development". This Ministry was bifurcated into two Ministries viz. (i) "Ministry of Urban Development" and (ii) "Ministry of Urban Employment and Poverty Alleviation" with effect from 16.10.1999. These two Ministries were again merged into one Ministry on 27.5.2000 and named as "Ministry of Urban Development and Poverty Alleviation" with two Departments. They are (i) Department of Urban Development and (ii) Department of Urban Employment and Poverty Alleviation.

From 27-5-2004, the Ministry has again been bifurcated into two ministries viz : (i) Ministry of Urban Development; and (ii) Ministry of Urban Employment and Poverty Alleviation (Now Known as Ministry of Housing and Urban Poverty Alleviation ).

The Ministry of Housing and Urban Poverty Alleviation is headed by Shri M. Venkaiah Naidu, Minister of Housing and Urban Poverty Alleviation. The Hon'ble Minister joined on 28-05-2014.

Ms. Nandita Chatterjee is the Secretary of the Ministry of Housing and Urban Poverty Alleviation (HUPA). She is assisted by three Joint Secretaries.

➤ **PMAY Scheme of objective :**

According to current estimates, the urban population of the country, which has already seen a sharp increase over the past decade, is set to see a phenomenal growth in the years to come. By the year 2050, the country's urban population is set to reach a population of more than 814 million people. This is an increase of about 400 million from current levels. One of the biggest challenges faced by the country will be providing affordable housing, sanitation and development, and a safe environment to the city dwellers.

While the Pradhan Mantri Awas Yojana is clear about its goals – affordable housing for all by 2022, it does ensure that the benefits of the scheme are enjoyed by women, economically backward groups of Indian society and the Scheduled Castes and Scheduled Tribes. In an unprecedented move, the government has decided to protect the interests of neglected groups in the country. Transgender and widows, members of the lower income groups and urban poor, and the Scheduled Castes and Scheduled Tribes shall be granted preference when they try to avail the affordable housing scheme. Apart from these groups members of society who often find themselves out of a home, seniors and differently-abled people shall also gain preference in allotment of houses. They shall also be able to choose a ground-floor house if need be. Apart from this, it is also mandatory that while registering to avail the benefits of the scheme, the beneficiaries must necessarily mention their mother or wife's name. According to news reports, these details were revealed by a Housing and Urban Poverty Alleviation Ministry official before the launch of the scheme

The Project is aimed for urban areas with following components/options to States/Union Territories and cities:-

1. Slum rehabilitation of Slum Dwellers with participation of private developers using land as a resource;
2. Promotion of affordable housing for weaker section through credit linked subsidy;
3. Affordable housing in partnership with Public & Private sectors and
4. Subsidy for beneficiary-led individual house construction or enhancement.

**Feature of Pradhan Mantra Awas Yojana scheme:**

1. Interest subsidy of 6.5 percent on housing loan will be provided for 15 years to the beneficiaries.
2. Older and Differently abled persons will be given preference in the allotment of ground floors under the Pradhan Mantri Awas Yojana scheme.
3. Eco friendly and sustainable technologies will be used during the construction process.

The scheme will cover entire urban area consisting of 4041 statutory towns with initial focus on 500 Class I cities in three phases. Credit linked subsidy component of the scheme would be implemented across the country in all statutory towns right from the beginning.

## 1.2 Purpose

### ➤ **Purpose of the document**

[Project Documentation](#) is an important part of [project management](#). It is substantiated by the essential two functions of documentation i.e. to make sure that the project requirements are fulfilled and to establish traceability with regard to what has been done, who has done it and when it was done. Thus documentation must make up the foundation for quality, traceability and history both for the individual document and for the entire project documentation.

**The purpose of this document i.e. User Manual, are:**

- To provide operating instructions related to the PMAY MIS;
- To provide information about the PMAY MIS and problem reporting mechanism;
- To provide PMAY MIS features along with handling and installation instructions;
- To provide information such as error codes, glossary, and any other item this may be useful to the users; and
- To provide the interface between the system and the users so that users have a proper deal of the working.

### ➤ **Purpose of the Software**

To develop a state-of-the-art fully computerized Management Information System on PMAY Scheme of the Ministry. The e-unit in PMAY will be up-linked to state Governments Departments, Central Governments Departments etc.

PMAY MIS has been developed to monitor all components of PMAY. In the PMAY MIS there are different stakeholders namely NMMU, ALD, ULB, etc.

All the stakeholders have to play different roles in the PMAY MIS. This MIS captures online data from all the stakeholders. This MIS is available 24 X 7 to all the stakeholders. To obtain the status on online this PMAY MIS is developed. Due 24 X 7 and due to online availability latest information can be obtained from this MIS. This is the important tool for the senior officials to monitor the scheme effectively from their place.

Standardized Reports can be generated from this MIS. This standardized reports will reduce the work load on the stakeholders.

Data for the above said activities has to be collected from all over India. For collecting the data from all over India it is very much needed to develop web enabled software / System under Windows environment, which would be more Versatile, simple & User friendly.

### 1.3 Organization Documentation

Document is organized Section and subsections. Each subsection is further divided if needed. Details are given for every part with needed images. At the last of the document appendix is given in which all reports are listed in reference to the description given in manual. Further the stage lists necessary for user is also given.

## 1.7 Product Feature

The present system has been developed by National Informatics Centre (NIC) and is a menu driven user friendly. "PMAY MIS" is developed using the GUI, SMS and web server technology. The present system has been developed using ASP .NET Version 4.0 as a front end and MSSQL Server-2008 as back end with Windows environment. Some of the features of the present computerization exercise are as under;

1. This system is developed and got the cyber security clearance from the NIC cyber security division for the safe hosting.
2. This application is hosted at the NIC-IDC data center at New Delhi.
3. NIC Data center backup, restore facilities and the disaster recovery features with the NIC Data center is applicable to this application.
4. This application supports two application level functionalities (i) PMAY MIS
5. This System has many types of user Groups like NMMU, CSMC, PMU, Appraisal Agency, SMMU, City
6. Using this web-based application, authorized user can add / modify / delete data corresponding to various modules.
7. All the registered can view/print/download various analytical reports generated by this application.
8. While entering data in each module, computer generates unique record number for each module/beneficiary. National Informatics Centre User Manual Ministry of HUPA Page 15 of 339
9. This system is available for 24 x 7 x 365.
10. The entire user activities in this system are monitored.
11. It is possible to retrieve a deleted data at some future point of time also from archive. 1
12. This software is menu driven. A lot of information is stored in combo boxes from where it can be clicked & printed. The PMAY MIS as such is user friendly and less cumbersome.14.
14. A large number of reports & information are self-generated in the pre designed tabulated formats.
15. Provision for the State, ULB to export their data in the XL format as well as in the PDF format.
16. User Manual has been prepared as per the QMS standard for the use of users and more.

## **Section 2**

### ➤ **Handling Report**
